Why is the New York Health Benefit Exchange right for you?

You work hard to make ends meet. Soon, the Exchange will make it easier and more affordable to get health insurance coverage.

The New York Health Benefit Exchange is where individuals and families will shop for, compare and buy health insurance coverage. It's the only place to get financial assistance to reduce the cost of coverage.

To shop in the Exchange:

- You must live in New York
- You must be a U.S. citizen, national or lawfully present immigrant
(Different immigration rules may apply if you are eligible for Child Health Plus or NYS Medicaid based on your income.)

Health insurance offered on the Exchange will include a comprehensive set of benefits.

We are here to help.

Experts will be available to guide you through the enrollment process, help you find the right health insurance based on your unique needs and help you figure out if you can get financial assistance to reduce the cost of coverage.

Support will be available online, in-person in your community and by phone – you pick what works best for you.
